# SEA DEVILS CLINIC SPRING 2019 MEET

One of the most beneficial learning tools to improve children's swimming technique is for them to participate in meets. It also gives swimmers, coaches and their parents one of the best measures of swimming progress. The Sea Devil Clinic swimmers are fortunate to have the opportunity to compete in intra-squad meets three times during each season. The challenge of a swim meet setting provides an excellent venue for our young swimmers to demonstrate the skills gained over the many weeks of practice. Meet participation is similar to nearly a month worth of practice sessions.

Our spring meet is scheduled for Sunday, April 28, 2019 at the Holton Arms pool from 4:00-6:30 pm. For this meet, parents will be able to select their swimmer's entries via our online portal. We will not be accepting paper copies of the event sign up. Please be sure to login to your portal and clinic on the "View Meets" tab at the top of the page. If you have more than one child in the clinic, you will need to complete the entry process for each of your swimmers. The entry deadline is Sunday, April 21, 2019.

The goal of the meet is to have the swimmers showcase their abilities in a competitive format. However, we will not be using stroke and turn officials and no swimmer will be disqualified for incorrect form. The six and under coaches will advise parents which swimmers are capable of swimming breaststroke, butterfly or any 50's or 100's of strokes. Be sure to ask them before or after practice. All swimmers will receive ribbons for events completed.
